

ONE GOOD NEWS STORY ONE DAY!

Our Creative Programmes are the heart of what we do. We hold 4 volunteer programmes a year. At each one, we work closely with the Little Doodlers and amazing creative professionals who volunteer 12 hours of their time and skills to help the Little Doodlers create a beautiful good news storybook. For every good news story we write and share an orphan child becomes a Little Doodler, developing creative writing, illustrating digital skills as well as developing self improvement. The goal of our Creative Programme is to complete one proudly South African good news storybook together.

Thank you for helping us make our
stories live happily ever after.
